NO.53 Mysore Deputy Commissioners Office,

Dated Mysore the 7th August I9o3.

To,

The Revenue Commissioner in Mysore.

Sir,

In submitting herewith the marginally noted records connected with the pension application of Hari Singh, late shekdar of the Gundlupet taluk, I have the honor to state that Hari Singh was enlisted in the savar department on the I9th of February I866 and continued to serve in that department till the 9th of February I88o, when he resigned his post.

2. It would appear from a copy of docket no. I72I dated 8th February I9o2 from the Chief Commandant, Mysore State Troops, to the Regimentdar, commanding the Local Service Regiment, Mysore, that Hari Singh resigned his appointment of his own accord.

3. He was entertained again in the civil department as a 2nd class Police daffedar on the Ist of May I88O, was transferred to the revenue line on the Ist of December of the same year and continued in that appointment till the date of his retirement, i.e., the I8th of December I9oI.

4. The amildar of the Gundlupet taluk recommends, through the Special Sub Division Officer, that the period, the applicant served in the savar department, may be taken into account in calculating the pension period. This recommendation seems reasonable considering the fact of the applicant's long service in the Military Department-Viz-I3 years, 9 months and 2I days.

5. It will thus be seen that Hari singh has rendered service both in the Military and Civil Departments: and that there is a break of nearly 2 months and 2o days, between the two services, which are governed by different sets of rules. Although I am inclined to recommend for a condonation of this break, I am not sure whether service rendered in the Military Department can be counted along with the service in the civil department. I therefore request the favor of your instructions in the matter.
